Minor In Related Science

Degree Requirements

If a minor is required in your degree program, at least 9 (lower and/or upper-division) hours of courses in the minor must be completed at the University.

Related Sciences Minor

The Related Sciences minor offers two tracks: a Medical/Molecular Sciences track, and an Ecosystems Sciences track. Students must choose one track: consult with your Academic Advisor about the best choice for your major and career. The Medical/Molecular Science Track is designed for students seeking to enhance their preparation in organic and biochemistry, such as pre-med students. The Ecosystems/Evolution Track emphasizes the study of terrestrial ecosystems.

### Related Sciences Minor: Medical/Molecular Science Track

A student must take 22 semester hours as follows:

- CH 131/131L General Chemistry I
- CH 132/132L General Chemistry II
- CH 201/201L Organic Chemistry I
- CH 202/202L Organic Chemistry II
- CH 440 Biochemistry I
- CH 441 Biochemistry II

### Related Sciences Minor: Ecosystems Sciences Track

A student must take GY 111/111L, GY 112/112L and four additional courses from the following list (total: 20-23 semester hours)

- GIT 460 Introduction GIT
- GIT 461 Git Applications II
- GY 310 Environmental Earth Science
- GY 420 Paleontology
- GY 420 Geostatistics
- GY 4421 Applied Environmental Geology - W
- GY 425 Hydrology
- GY 426 Contaminant Hydrology
- GEO 410 Biogeography
- ST 340 Design-Analysis of Experiments
- ST 345 Sampling-Survey Techniques

Department Information

Interdisciplinary programs are designed to combine several disciplines in their curriculum. Several interdisciplinary programs are offered by the College.
Areas Of Study

- a minor in African-American Studies
- a Composite Science Minor (24 hrs.)
- a minor in Forensic Sciences
- a minor in Gender Studies
- an undergraduate and graduate certificate in Gerontology
- a major in International Studies
- a double major in International Studies and Modern and Classical Languages and Literatures
- a minor in International Studies
- a minor in Museum Studies
- a minor in Related Sciences
