University of South Alabama - College of Education and Professional Studies - Department of Integrative Studies

**University and College Requirements:** 

<u>Writing Requirement</u> – The University requires that a candidate for graduation must have completed two designated writing credit courses at USA, with at least one course chosen from offerings in the candidate's major or minor. Courses meeting this requirement are designated with a (W) after the course title in the "Courses" section of the <u>University Bulletin</u>. Individuals who transfer in credit to substitute for a course(s) designated as a (W) course must meet the writing requirement by taking a (W) course(s) at USA.

<u>Transient Approval</u> – Students must have prior approval (obtained in the Advising Center) to enroll as a transient student at another institution. A maximum of 60 semester hours (or 50% of total hours required for the program) may be accepted from a two-year institution.

<u>Residency Requirement</u> – A candidate for graduation must complete a minimum of 25 percent of the credit hours required for the degree through instruction offered by the University of South Alabama in upper-division course work (300 and 400 levels).
