

What is PASSAGE USA?

PASSAGE USA is the University of South Alabama's new, post secondary certificate program for students with intellectual disabilities. It focuses on providing individual supports and services for academic and social inclusion of students with intellectual disabilities in academic courses, extracurricular activities, and other aspects of the University's regular post secondary program.

- ✓ Help PASSAGE students form and foster life-long friendships

All individuals who serve as Peer Mentors will:

- ✓ Participate in Peer Mentoring and disability awareness training
- ✓ Successfully complete a background check
- ✓ Be required to log their mentoring experiences and participate in project evaluation activities

ABOUT PASSAGE USA

PASSAGE USA is a post secondary educational (PSE) experience for students with ID that helps each student achieve his/her goals.

This two- year certificate program is based on individualized Adult Education Plans (AEP) developed through person-centered planning.

The program will focus on the students' gainful employment through academic enrichment, socialization, independent living skills, self determination skills, self advocacy skills, and community engagement.

Students will take 4 or more "courses" per semester. Each semester students will take an Adult Seminar course (which will include individualized instruction on AEP goals) and an employment/ internship class, as well as, additional elective classes with other USA students based upon interests, strengths, and needs.
