Students will........

⇒ Learn proper study habits and how to study in groups.

⇒ Receive intensive math review.

⇒ Become better equipped to meet the challenges of their freshman year.

⇒ Meet other South Alabama Engineering majors.

Math Bridge......

What is it?

"Engineering Math Bridge" is an intensive algebra and trigonometry review program for beginning freshman engineering students. As an incoming freshman, this program is designed to help you:

⇒ Assess your math background and preparation for Calculus.
⇒ Enhance your study skills.
⇒ Develop problem-solving strategies.
⇒ Experience cooperative learning in a college environment.
⇒ Review and prepare to re-take the Math Placement test (given on the last day of the program).

Who should attend?

Any student planning to major in Engineering at USA who has been placed in MTH 100, MA 112, MA 113 or MA 125 who would like to review their math skills and potentially move up one math level is encouraged to attend Math Bridge.

Space is limited to the first 50 students to register. Don’t wait, register early!

Registration Deadline: August 3, 2015.

How do I know????

All incoming freshmen (with the exception of Conditionally Admitted Students) and transfer students who have not taken a college-level math class will be placed in a math course based on their Math ACT score. Students without ACT scores or previous math credit will be required to take the Math Placement Test which is offered only during on campus orientation/registration.

Students who feel they should be placed in a higher math course than assigned can arrange to take the Math Placement Test during orientation.

Program Dates: August 10—14, 2015

The Bridge Program will be held the week before classes being in August. The program will begin on Monday at 8:00 a.m.

Instruction and study sessions will take place from 8:00 a.m. till 5:00 p.m. Monday through Thursday with breaks for breakfast and lunch. Friday morning students will either take or retake the Math Placement Exam. Student who improve to a new math level will be assisted in changing their schedules Friday afternoon.

Where will I stay????

You will stay either in the resident hall room assigned to you for the school year or at your personal off-campus housing. Those students that have made reservations and have been accepted for resident hall housing will be able to check-in for this program on August 9 (make sure to check the campus resident box on the program registration form). The resident hall will be informed of your early arrival and will be expecting you.

Program Cost

The cost of the Bridge program will be $300.00. The Bridge registration fee will include:

⇒ Check in to Dorm Sun, Aug. 9, 2015
⇒ Continental Breakfast (Mon—Fri)
⇒ Lunch (Mon—Fri)
⇒ Instruction
⇒ Study guide materials
⇒ Refreshments (Mon—Fri)

Cancellation Policy

Reservations and prepaid monies are allocated to compensate instructors, purchase material used in the classroom, and food. Please understand that no refunds will be given after August 3, 2015 for any reason.
