1. **Senate Faculty Rules/By-Laws:**
   
   Develop and codify the rules and by-laws necessary to permit the conduct, continuity, and efficiency of Faculty Senate proceedings in accordance with the new Faculty Senate Constitution.

2. **Faculty to the Front:**
   
   Continue to raise the profile of the Faculty Senate as a relevant, engaged, and productive participant in the shared governance of the University and continue to “focus on faculty”, highlighting the contribution(s) of the body of faculty as a primary determinant of quality and success in University matters, academically, economically, and administratively.

3. **University Anti-Harassment Policy:**
   
   Work to secure a campus where harassment of any kind, whether it be political, religious, racial, gender, sexual orientation, or academic is intolerable both from and authoritarian as well as a peer perspective.

4. **Wages and Benefits:**
   
   Develop and maintain mechanism for ongoing Faculty Senate assessment of current state of parity with similar reference institutions.

5. **Faculty Input/Involvement in Campus Environmental Decisions:**
   
   Establish inclusion of Faculty Senator(s) on the University Environmental Committee as a way of insuring the benefit of expert consultation from faculty resources in decisions with potential for significant impact on the campus environment.

6. **Expand and enhance Faculty Senate relationship with the SGA.**
   
   Explore avenues to enhance student/faculty relationships through ongoing interaction between Faculty Senate and SGA.
