Medical Oncology Service

Dr. Adam Riker
Chief of Surgical Oncology

Dr. Rajeev Samant
Assistant Professor
Oncologic Sciences

Dr. Lalita Shevde-Samant
Assistant Professor
Oncologic Sciences

Dr. Raymond Wynn
Chief, Radiation Oncology Service

October is Breast Cancer Awareness month. This is an open forum for informal discussions to address any queries regarding the management of breast cancer. This is an opportunity to listen to clinicians and researchers on various aspects of breast cancer, including surgical management of breast cancer, advances in the treatment of breast cancer and breast cancer research.

RSVP: Dr. Lalita Samant (460-6118) or
Dr. Rajeev Samant (460-6204)
