Don't Get “PHISHED”

One form of “PHISHING” occurs when online crooks steal the Credit Union’s logo and/or copy its corporate image to send phony e-mails asking you to verify your account information. If you take the bait by replying with your private financial information, the “phishers” use it to steal funds from your account.

Remember, your Credit Union will NEVER ask you to “verify” account details by e-mail. We already have this information! If you receive such an e-mail, DON’T REPLY and notify the Credit Union immediately.

**CREDIT UNION
SERVICE CENTERS**

*The Member-Friendly Financial Network*

**Shared Branching**

Shared branching is a cooperative network of credit unions that have joined together and created shared service centers across the country. By sharing facilities, credit unions can offer greater convenience for members to access their accounts at many locations just as if they were at their home credit union.

University of South Alabama Federal Credit Union members can now enter any shared service center and conduct a range of transaction services, such as:

- Cash checks
- Make deposits and withdrawals
- Make loan payments
- Make transfers between accounts

To take advantage of this service, when members enter a shared branch they only need to bring:

- Their home credit union’s name. Remember to use the entire name of the credit union, (University of South Alabama Federal Credit Union,) instead of “USA” since there are four credit unions in the United States using the name “USA.”
- Their account number
- Photo identification

You may conduct basic financial transactions at any location where you see “the swirl logo.” For a nationwide list of service center outlets, please visit [www.creditunion.net](http://www.creditunion.net) or call 1-800-919-2872.

**HOME BANKING**

USA Federal Credit Union offers home banking with Cue-Branch. Cue-Branch provides you with online internet access to your credit union accounts when you need it...24 hours a day, seven days a week. Check your account balances, transfer funds, view/print account history, request a check, print a loan application, order new checks, and much more.

Signing up is simple:

1. If you are currently a user of the credit union’s voice response system, TellSouth, with the capability of transferring funds, you can self-register at our website at [www.usafedcu.com](http://www.usafedcu.com) and click on the home banking link. Then click on “Register Now” under the New Users menu. You will be prompted to enter your user ID, your social security number, your e-mail address, and your TellSouth PIN number. After you have registered, you will be prompted to create a password. Instructions for creating a password will appear on the same page. You will need a password for future log-ins.

2. Or, if you do not have transfer capabilities with TellSouth, just stop by any of the credit union branches and sign up.

**THE CREDIT UNION WILL NEVER ASK YOU FOR YOUR USER ID OR PASSWORD. PLEASE DO NOT DISCLOSE YOUR USER ID OR PASSWORD TO ANYONE.**

The USA Federal Credit Union is delighted to offer this FREE service to its credit union members.

**THE ADVANTAGES OF “SIGNATURE-BASED” DEBIT CARD PURCHASES**

When you make a purchase with your USAFCU VISA® Debit Card, the merchant usually asks you "debit or credit?" When you say "credit," you will typically be given a receipt to sign. Or you may be using your Debit Card at a pay-at-the-pump gas station where you can select "credit" as the payment option. In both cases, your purchase will be processed as a signature-based transaction.

**PLEASE NOTE:** When you say "credit" to a merchant and the amount of your purchase is less than $50, you may not be required to sign the receipt.

**There are three good reasons for making signature-based/credit purchases with your VISA Debit Card:**

1. You help prevent your PIN number (typically used for ATM cash withdrawals) from being stolen by an unauthorized user.
2. Your purchase will be identified by the name of the merchant as well as the city and state on your transaction records (online banking and mailed statements).
3. You will be protected by VISA's Zero Liability Policy if your card is used fraudulently.
